

ACCOUNT APPLICATION FORM

A CREDIT ACCOUNT MAKES PURCHASING EASIER.

Approved account holders can ring at any time of day or night and place an order. An invoice is sent with each dispatch, and the total charged automatically to the appropriate account. It is not necessary to purchase every month to maintain the account.

At the end of each month, a statement is sent showing the amount purchased and any payment received. To maintain account status, the total due must be settled in full by the end of the following month. If you were to order goods on January 1st, you would get an invoice with them. On the 31st you would be sent a statement of account, and you would have to ensure that payment reached us by the end of February.

We reserve the right to impose charges on account holders exceeding our terms, and to withdraw account facilities at any time.

We need to know some details of your business, whatever its size, before we can send out goods without prepayment.

If you would like to apply for an account, please complete this form and return it to:
